

## ST. ROSE'S WORK TO EXPAND IN A LARGER BUILDING

Cornerstone Laid for New Cancer Retreat Founded by Miss Hawthorne.

Mr. Mooney, representing the Cardinals of the Catholic Church, yesterday afternoon laid the cornerstone of the new building for St. Rose's Free Home for Incurable Cancer, No. 426 Cherry street.

A few months ago The Evening World asked for a fund of \$25,000 to erect a new home for this most worthy charity. The present institution was founded by Rose Hawthorne Lathrop, the youngest daughter of Nathaniel Hawthorne. As Mother Alphonsa she now heads the nursing sisterhood of Servants of Relief, which offers the only protection in the city outside the public almshouse to the destitute sufferers from one of the most horrible diseases.

But the little house on Cherry street can only accommodate seventeen women patients. The new large home which is to be built just around the corner, between Jackson and Front streets, will hold fifty women and a like number of men. The building lot fronts on the East River, and the building itself is to contain all the latest conveniences and comforts for the care of invalids.

The Servants of Relief gave a luncheon in their little dining room at 130 yesterday afternoon to Mr. Mooney and others interested in their work. Large bouquets of pink and white carnations matched by pink candle shades made the lunch table attractive. Mother Alphonsa had come down from the country home at Hawthorne, N. Y., which she also maintains for cancer patients, to receive her guests.

Besides Mr. Mooney these included Mr. James H. McGeehan, the Rev. James M. Byrne, James W. O'Connor, John R. Sheehan, Edward J. McGuire, Warren Greene, Edward Smith, Cornelius F. Cronin, Mr. and Mrs. H. J. Reel, Mr. and Mrs. David J. Ryan and Dr. John L. Sheils.

Mr. Smith and Mr. Cronin presents \$50.00 apiece to purchase the land on which the new home will stand. Mr. Reel has supplied the Servants of Relief with free drugs for several years, and Dr. Sheils has given free medical attendance.

After the luncheon Mr. Mooney passed through the wards and gave the patients his blessing. Then, in a little formal group, the guests and the sisters walked down the street and around the corner to the new lot.

While Mr. Mooney was performing his office of laying the corner stone, about two hundred children from St. Mary's Church across the way sang hymns. There were no speeches, and merely a silent prayer. Copies of The Evening World and other papers, with an account of the founding of St. Rose's, were inclosed in the corner stone, which was inscribed merely with the date.

It is expected that the new home will be open about the first of next June.

Gates Had \$19,542,705.07. REAUMONT, Tex., Dec. 12.—The estate of the late John W. Gates is stated by appraisers who filed an inventory for record yesterday to be \$19,542,705.07, made up principally of stocks and bonds.

**Gentleman's Size**  
Guaranteed  
**SOLID 14-KARAT  
GOLD**

Everybody in the trade knows and anybody else can easily find out that the manager of this establishment is too good a business man to spend thousands of dollars advertising something that any other dealer could supply at the same price. We want it here understood that we do not want one penny of the public's money that does not represent a saving to them. That would be poor business policy. We wish it here further understood that we are antagonizing big interests with our cut price system, but we are still of the opinion that when we buy and pay for our merchandise we own it and can do as we please with it. This is what we offer to-day and to-morrow. Gentlemen's size solid 14-karat gold case with a guaranteed movement, all timed and regulated every day for the pocket, at \$6 each. Every one will be sold with the distinct understanding that the money (every cent of it) will be refunded upon request if any department store, mail order house, retail or wholesale jeweler will sell or even quote a price in one or one hundred lots like it or one as good Value for less than \$18.95 net. F. O. B. New York. Remember the sale closes to-morrow night at 11 o'clock. All calling before that time will not be disappointed. No dealers will be supplied or mail orders filled.

**FREE** We will present FREE to every purchaser a Patent Watch Protector. Also call attention to the fact that if you pay more than \$18 for the best 20-jeweled watch movement made in the United States you are paying too much. We can prove it to your own jeweler can be the judge.
